# Dedicated Agent. Superior Coverage. Unparalleled Service.

## vast possibilities

### BETTER COVERAGE, BETTER VALUE

When it comes to exceptional coverage, Forest Insurance stands alone. The major companies in Illinois simply can't match the coverage, higher limits from multiple companies, or higher payouts per claim, that we can. We take great pride in providing superior coverage that delivers better value.

### PRODUCTS

A full-service independent agency, Forest Insurance offers high-quality auto, home, umbrella (excess liability), scheduled item (jewelry, furs, fine art, etc.), rental dwelling, boat, aviation, life, business, commercial, and non-profit insurance.

### CHOICE

When it comes to insurance agencies, "independent" is an important distinction. Being independent means we're not held captive to a particular insurance company, so we can instead focus on what's best for you. Drawing from a wide array of insurance companies enables us to find just the right coverage for your unique needs.

Because we value quality, we offer only A-rated (preferred) companies, including: Andover, AIG, Chubb, CNA, Encompass, Frankenmuth, Greater New York, GuideOne, Hanover, Hartford, Illinois Casualty, Liberty Mutual, Mercury, MetLife Auto & Home, Nat Gen Premier, Nationwide Private Client, Progressive, Safeco, Travelers, and West Bend.

### PERSONAL TOUCH

Insurance is personal. And complex. That's why at Forest Insurance you'll always work with real people—including a dedicated advisor who will take time to get to know you, develop coverage recommendations tailored to your needs, and be there to guide you as your life—and lifestyle—changes. You'll also work with a company that actively supports the local community.

### COVERAGE ANALYSIS

Forest Insurance will review your policies, provide a side-by-side analysis of what you have vs. what's available, and advise you on recommended coverages and limits.
